"His Banner Over Us Is Love"

Testimony speaker: Kevin LaRose

Kevin and his family currently live in West Carthage. He is an Army Physician Assistant, husband, father, and follower of Christ. He was born in Maine and his early life was marked by family brokenness, violence, alcoholism, and hopelessness. Kevin placed his faith in Jesus Christ at a local church youth group. He played in Christian bands throughout New England and later helped build a successful construction business. He joined the Army at age 30 and has been deployed 5 times. As he approaches the end of military service, Kevin hopes to continue serving soldiers and veterans by working at the VA helping them to navigate the transition from military to civilian life.
